RE: File #C07-11350/gd

Dear Ms. Hashemzadeh:

Thank you for your query which was received via email on July 30th. We submitted your request to the Review Committee. I regret to inform you, however, that they directed that no changes be made to the existing evaluation report.

In order to indicate that CIECN is equivalent to a state-approved school in the US, it must be regarded as a state-approved school in Belgium. However, there are no records which support this. For instance, the records for the other studies which you completed (1989, 1993) indicate that they are *staat erkende* and/or under the *Ministerie van de Vlaamse Gemeenschap, Department Onderwijs*. However, there is no such indication for your studies at CIECN. Upon receipt of such evidence, your evaluation may be revised.

I regret that we are unable to assist you at this time but hope that the above has helped to explain the guidelines used in completing your evaluation report.

Regards,

Emily Tse
